## Poured Out Blessings

The alter area and floors took 52 meters of concrete

Last Sunday, the Church gathered in the building for the first time. They prayed and praised the Lord for those who gave the \$13,000 to pour the floors. For more than 15 years, this has been a dream and for many, it is overwhelming to see God work in such a mighty way. So many have volunteered over the last few months and the work of winning the lost is always in the forefront. Two more, Mireille and Nobertha have received Christ since. Not only are the interior floors finished in the sanctuary but in the adjunct classroom as well. We also have set and poured the curbs and finished the patio roof which has defined the outdoor living Christmas tree stage area. All the interior and exterior walls have been stucco'd, yet we still need to add some sealant. Please pray we will be able to raise \$12,000 to contract the metal security bars, fencing & sealant.

Following that, the next project will be to pour the parking area and hang the windows and doors.

## Called according to His Purpose

Tiffany returned from camp and tied for 1st out of 40 other contestants in the Bible quiz on Genesis. This of course, makes us proud. But even greater still, during camp, she surrendered her life to serve full time in the ministry. She has always served the family with honor, now she is going to follow Him step by step to the place He is leading her to pour her life into the service of others. Please pray for her. Regina and I are grateful, humbled and blessed. God is so good!
