## Moving back to Santiago

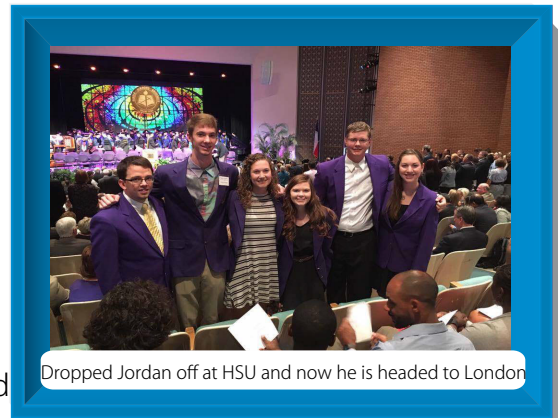

Martha's "Rayitos" Bible club meets every Sat. morning

Our time at Tierra Alta has come to an end. The Church planting couples we had dreamed of, were a problem for the Foundation. Regina and I have parted on good terms with Bro. Rawlings and are grateful for the trust the Foundation placed in us. We will be praying that Tierra Alta continues on its path of winning young people to the Lord and adding them to local Baptist Churches in the Dominican Republic. Serving the Lord as Executive Directors (non paid) at the camp for 9 months was a

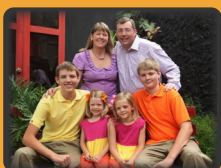

positive experience for our entire family. JuliAnna loved helping in the kitchen, Tiffany was able to participate in many different medical clinics, Jordan volunteered as a counselor and Tyler was able to complete an internship with Hardin Simmons. I was blessed with the opportunity to preach at the camp almost every week and both Regina and I were used to fix several HR and legal problems the camp had. Sharing our vision with several local pastors and friends enabled us to hire over 20 new full time staff members which attended approximately 14,345 guests during our time at camp. Most importantly, over 900 made positive decisions for Christ and the relationships we made will be cherished for years to come. We have moved back into our apartment in Santiago and plan on helping Pastor Dial and Martha's Church continue to grow as well as plan a much needed building.

## Church Match Scholarship

Jordan is in his first year at Hardin Simmons University in Abilene, Texas. He has enrolled in the Non Profit / Leadership program and desires to serve full time in the ministry. Upon arrival at HSU he learned that he was one of 10 students selected to study in London, England next semester. Each year the school provides Baptist Churches a Church match opportunity for Jordan and if your Church would be interested in more information about how to do that please e-mail us.

Dropped Jordan off at HSU and now he is headed to London
