## In the Island Sun: A Risen Savior

Pastor Dial Baptized six on Good Friday

During Semana Santa, or Holy Week, many in the D.R. embrace it as a cherished time of rest and celebration, retreating to the coastlines to soak in the sun and spend time with family and friends. While beaches fill with crowds, law enforcement help maintain peace, and the atmosphere becomes a little more subdued on Good Friday. Amidst the rhythms of this season, God has been moving in a powerful way in the Bible Baptist Church of Don Pedro. On Friday, six new believers publicly declared their faith in Christ through baptism—Roodley Jean, Malensky Berglette, Yfana Genelus, Chaka Louis-Juste, Kenie Saint-Vak, and Escalie Philenor. Please lift them up in prayer, that they may feel deeply connected to the church family, and grow in joy through worship, fellowship, and service. The harvest truly is plentiful, young hearts and seasoned souls alike are responding. Join us in prayer for Nailove Vixama, Juan Mertil, Jean Etienne, Merwy Jamin, Pierre Mar, Charite Paul, Esaie Mettelus, and Cartiana Augustin—that each will step forward and follow the Lord in believers' baptism. In a moment of joy, the church also witnessed its very first wedding in the new sanctuary, as Pastor Dial united Widy Compré and Yfana Genelus in holy matrimony. It was a beautiful celebration of love and commitment, a symbol of God's grace at work in the lives of His people. To God be the glory for every step forward, every life touched, and every heart transformed.

Easter Sunday!

## Modernizing, Modifying & Migrating

This September, Regina and I will celebrate twenty-five years of service as missionaries of the Baptist Bible Fellowship. To commemorate this milestone and give back to those who have faithfully supported us, we are undertaking a complete overhaul of [www.DR4Christ.com](http://www.DR4Christ.com). The updated site will feature improved infrastructure, enhanced functionality and new features to better serve you. The project is already progressing smoothly, with a stable new CMS in place and continuous improvements being made to the demo site. If you're familiar with Joomla 5, we would welcome your input on the site's design and content. Please feel free to reach out via email for a link.
