Stars Shine in the Christmas Season

IBB Tamboril invites "Stars" to missions banquet

Just about every week the electricity goes off, most of the time during the day but every now and then it happens in the evening. This has given us several opportunities to look up at the stars from the roof of our apartment. It is always an amazing time and at this time of year its hard not to remember those legendary stargazers who must have also looked to the heavens in wonder. Their

focus was a single star, a star hidden among many others, but very different. A star that would lead them to the Light of the World. That was the inspiration in titling Tamboril's missions conference "Shine Into The Uttermost And At Home". The ladies decorated the whole church with stars, the children presented special music and the emphasis through the month in both Sunday School and in services led to the Faith Promise Offering being more than expected. The very last night everything culminated in our annual missions banquet where we invited the members from IBB Don Pedro to be our Stars, both Churches enjoyed great fellowship and ended the evening singing Christmas songs.
