First Bible College Retreat In The Books

Finishing the retreat in prayer and with Q/A's

Over the last two months, the very first students in the Bible College here in the Dominican Republic have been doing a phenomenal job keeping up with their studies, jobs and families. Because of their faithfulness, we planned a retreat in coordination with our mid-term exams. The first night's spirit was amazing, food was excellent, campfire was perfect and the lesson on Psalm 23 was a blessing. The next morning, Pastor Dial set the

tone at 7:00 a.m., going in depth about the type of devotional life expected for those that desire to be in the ministry. We also enjoyed water balloon volleyball, the pool, soccer and just being together outside the classroom. Pastor Dial and I were very pleased, and our next activity has already been planned. Please be in prayer about this new ministry, we believe we will have even more students in January. We also really need to raise an additional \$500 in monthly support for the translating work, books, materials as well as for activities like this, that are so necessary to keep a student body spiritually healthy.

Back to Language School

You know that phrase, "never say never." I have to confess, 24 years ago after graduating from the Spanish language institute in Costa Rica I said, "Never Again!" 😊 Well, I probably shouldn't have said that. With so many Haitians in our works, the girls and I began classes at the John F Kennedy Language School in Santiago to learn Kreole. Please pray for our professor, Reynaldo and that the pain of "hitting the grindstone" will soon subside.

Classes are 4.5 hrs a week in home Wed's & Sat's
