Peace in the Midst of the Storm

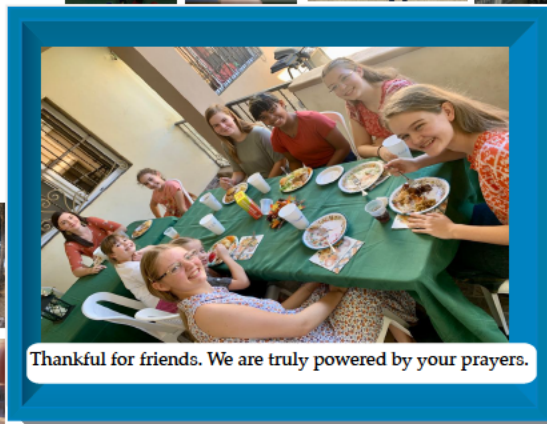

Here are a few construction video updates - [links](#) below

Please pray for Mitho Prospere. He is a young full-time worker at church and early this month discovered he has diabetes, after returning from a wedding in Nagua. We have moved him into the church and while Regina is no doctor, she is trying to help him with his diet. On the 19th, we closed out our mission's conference. Julien and Josette Yliodin and Level and Wisemonde Joseph brought Ysno and Julianise and Isaac and Rut before the church for the largest baby dedication we have ever had. We prayed for each of them and the Choir sang a song about Jonah. I brought a message on Naaman's Obedience (2 Kings 5:1-14) which went with our theme on "Trust and Obey." We then took up the commitments and once again went

over any of our previous 14 years of Faith promise. Later that day, we found out that Bro. Dieufaute Gabriel, a young man in his twenties who has been a member of the church for six years, passed away. We had his funeral on his family's farm, and I preached on heaven. (John 14:1-7) The next day, while Luis and I were out looking for building supplies, Regina was called over to our neighbor's house and found our friend Juan on the garage floor. Juan's wife was in shock, so Regina immediately began administering CPR but was unable to resuscitate him. She then moved to begin praying with the ladies that had gathered and the next day we canceled our building plans as I spoke and prayed to those in our community at Juan's graveside service. That took us into Thanksgiving where we traveled to Joy Wesson's house in Santo Domingo to celebrate God's goodness with many of our missionary friends from around the island. Then the Christmas 🎄 whirlwind began, yet amazingly God sent a rainbow to our house to remind us He is faithful to His promises. 🌈

Thankful for friends. We are truly powered by your prayers.
